EU ECOLABEL DECLARATION

Dear customer,

Herewith we confirm that;

7-156000 and 7-156500 Legamaster flipchart paper pads are certified according to the standards of the EU Ecolabel organisation. (license no. FR/046/001)

The purpose of the EU Ecolabel for Converted Paper Products is to reduce the impact of paper manufacturing and converting on the environment.

Products bearing the EU Ecolabel logo have officially been distinguished as being amongst the most environmentally friendly in their range.
