

Inofita, 17/07/2026

DECLARATION OF COMPLIANCE

We, PROCOS S.A., hereby declare, that the below one-use paper plates included in our Invoice 530-967A dated 17/07/2026 :

Procos item no	Description	Barcode
098419	8 Paper Plates 23cm PEPPA PIG MADE WITH LOVE FSC NEXT GENERATION HASBRO	5201184984192

are considered to be articles intended to come into contact with food. They comply with the European Regulation (EC) No 1935/2004 and have been produced according to the Good Manufacturing Practices, according to the European Regulation (EC) No 2023/2006.

The above products are produced with the following raw materials : virgin cardboard, flexo water-based printing inks and water-based overprint varnish.

According to our suppliers' declarations :

1. The cardboards used in the production of these plates are ECF (elementary chlorine free) and/or TCF (total chlorine free).
2. The inks used are water-based inks, especially developed for printing on food contact materials with foreseeable direct food contact and are produced according to EUPIA "Good Manufacturing Practices (GMP) - Printing Inks for Food Contact Materials".
3. The varnish used complies with the EuPIA Good Manufacturing Practice (GMP), Printing Inks for Food Contact Materials, March 2016 and EuPIA Exclusion Policy for Printing Inks and Related Products, March 2021.
4. The varnish complies with Ordinance of the Federal Department of Home Affairs (FDHA) on Materials and Articles (817.023.21) (Swiss Ordinance), 13a. Abschnitt: Lacke und Beschichtungen, December 2019.

The plates might contain potentially migrating substances and Dual Use Additives which are at the disposal of the authorities in case needed. They can also be disclosed to customers in case needed, under a confidentiality agreement and subject to the inks and varnish producers' permission.

PROCOS S.A.

These plates can be used with all kinds of foodstuffs at temperatures up to 70°C.

The compliance of these plates with regards to the requirements of Regulation (EC) No. 1935/2004 and the Swiss Ordinance 817.023.21 has been confirmed by assessment of the formulation (used substances), calculation of maximum migration and analytical lab tests (specific migration, screening tests and organoleptic tests). Details about this compliance assessment can be disclosed to authorities upon request.

We guarantee the traceability of the above products according to the requirements of European Regulation (EC) No 1935/2004.
