

Sant Cugat del Vallès, 22 of June 2021

To whom it may concern,

- All single use paper products made by Indústries Sostenibles Karibou S.L. (hereafter Karibou) are made from plastic free paperboard based monomaterials, without any plastic lining or coating, according to our suppliers' statements.

Related to this, the paperboard used to produce Karibou' single use paper products are considered to be excluded from the scope of the EU SUP Directive (EC 2019/904) and are not subject to any marking specifications as listed in the Implement Regulation 2020/2051.

- All Karibou single use paper products can be easily recycled and repulped, thus contributing towards a transition to a circular economy.
- All Karibou single use paper products are made from pure PEFC and FSC certified paperboard.

This statement is valid until 31st December 2021.
